

ERASMUS + INTERNATIONAL CREDIT MOBILITY 2018-2020

Application guidelines for Incoming Staff Mobility

International Credit Mobility (ICM) supports the mobility of individuals employed at a higher education institution (HEI), from a Partner Country to the University of Siena.

There are two types of staff mobility:

- Staff mobility for teaching for academic staff to teach at a partner higher education institution (HEI) abroad. The mobility period can last from 5 days to 2 months.
- Staff mobility for training for teaching and non-teaching staff in the form of training events abroad (excluding conferences), job shadowing, observation periods and/or training at a partner HEI.

The mobility period can last from 5 days to 2 months, excluding travel time.

A teaching activity has to comprise a minimum of 8 hours of teaching per week (or any shorter period of stay).

If the mobility lasts longer than one week, the minimum number of teaching hours for an incomplete week should be proportional to the duration of that week.

Selection and nomination of participants

The selection of staff members will be made by the sending institution on the basis of a draft mobility programme submitted by the staff member after consultation with the receiving institution. Prior to departure, the final mobility programme shall be formally agreed by both the sending and receiving institution (by exchange of letters or electronic messages).

Incoming Teaching Staff must be individually accepted by the host Department at UNISI

Incoming visitors participating on the Staff Training programme must be individually accepted by the host Department/Office at UNISI

Both the sending and receiving institution are responsible for the quality of the mobility period abroad.

The selection of participants must be fair, transparent and documented and must be made available to all parties involved in the selection process

After the selection of participants, the partner university sends a Nomination letter to the International Relations Office/ ICM team of the University of Siena (icm@unisi.it) with the following data: Name, surname, email address, department and academic contact at the University of Siena

Acceptance of the participants

The assessment of the candidates will be made by the UNISI academic coordinator.

Once accepted the participants will receive an invitation letter to apply for a visa at the Italian consulate.

Benefits

Beneficiaries will receive an individual support as a contribution to their costs during their mobility (€ 160,00 per day until the 14th day, and € 112,00 per day for the following days).

Travel support depends on the distance between the home and the host University:

Requested documents before the mobility
